The Data Controller collects your personal data and processes them, both directly, as Data Controller, and by availing itself of the work of other subjects who will act as Data Processors.

TYPES OF DATA COLLECTED

Among the Personal Data collected by this Site, either independently or through third parties, there are:

- personal data (e.g. name, surname);
- contact details (e.g. email address);
- navigation data (e.g. data acquired by computer systems and software during their normal operation, personal data whose transmission is implicit in the use of Internet communication protocols);

Personal Data may be entered voluntarily by the User, or collected automatically during the use of this Site.

Any use of Cookies - or other tracking tools - by this Site or by the owners of third-party services used by this Site, unless otherwise specified, has the purpose of identifying the User and recording the related preferences for purposes strictly related to the provision of the service requested by the User.

Failure by the User to provide certain Personal Data may prevent this Site from providing its services.

The User assumes responsibility for the Personal Data of third parties published or shared through this Site and guarantees that he/she has the right to communicate or disseminate them, freeing the Owner from any liability towards third parties.

TREATMENT METHODS

The Data Controller processes the Personal Data of Users by adopting appropriate security measures to prevent unauthorized access, disclosure, modification or destruction of Personal Data.

The processing is carried out using computer and/or telematic tools, with organizational methods and with logic strictly related to the purposes indicated. In addition to the Data Controller, in some cases, categories of persons involved in the organization of the site (administrative, commercial, marketing, legal, system administrators) or external parties (such as third-party technical service providers, postal couriers, hosting providers, IT companies, communications agencies) may have access to the Data, also appointed, if necessary, as Data Processors by the Data Controller. The updated list of Data Processors may always be requested from the Data Controller.

PURPOSE OF THE PROCESSING OF COLLECTED DATA

The personal data provided will be processed according to the owner's services to allow the user access to the related services of Gromet Srl and in particular for contact requests sent to Gromet Srl.

SCOPE OF COMMUNICATION AND DISSEMINATION

The data may be communicated, for the management of the purposes listed above, to some categories of subjects contractually linked to Gromet Srl (also in any countries belonging to the European Union) for example: – companies appointed as data controllers; - subjects that provide services for the management of the information system used by Gromet Srl and of the telecommunications networks and providers; – to third-party service providers to whom communication is necessary for the fulfillment of the services covered by the service; – competent authorities for fulfilling legal obligations and/or provisions of public bodies, upon request; – to Commercial Partners. The subjects belonging to the aforementioned categories perform the function of Data Controller, or operate in complete autonomy as separate Data Controllers. The list of appointed data controllers is available at the registered office of Gromet Srl. You can request the updated list at the email address info@gromet.it

TRANSFER OF DATA TO NON-EU COUNTRIES

This site may share some of the data collected with services located outside the European Union area. In particular with Google, Facebook and Microsoft (LinkedIn) through social plugins and the Google Analytics service. The transfer is authorized based on specific decisions of the European Union, for which no further consent is required. The companies mentioned above guarantee respect for the rights and freedoms of the interested parties in accordance with the GDPR.

EXERCISE OF RIGHTS BY USERS

The subjects to whom the Personal Data refers have the right at any time to obtain confirmation of the existence or otherwise of the same from the Data Controller, to know the content and origin, to verify the accuracy or request integration, cancellation, updating, rectification, transformation into anonymous form or blocking of Personal Data processed in violation of the law, as well as to oppose in any case, for legitimate reasons, their processing. Requests should be addressed to the Data Controller at the email address info@gromet.it .
